My Main Street Community Activator Ultimate Recipient List

The [Canadian Urban Institute](#) (CUI) is proud to announce the final ultimate recipient list for community projects supported through the My Main Street Community Activator between 2022 and 2023. The program was implemented to support high-impact placemaking projects that revitalized neighborhoods and reimagined public spaces including main streets, downtown strips and plazas through hands-on support and one-time payments.

CUI received \$10 million as part of an overall \$23.25-million investment from the Government of Canada, through the [Federal Economic Development Agency for Southern Ontario](#) (FedDev Ontario), to deliver non-repayable contributions of \$25,000 - \$250,000 to support placemaking initiatives.

Projects:

Funding recipients leveraged their local community’s specific assets, inspiration and potential to quickly implement placemaking interventions that yielded a wide range of social and economic benefits. This made the My Main Street funding a powerful tool to support communities in recovering from COVID-19 and to revitalize main streets and commercial districts.

Liste des bénéficiaires ultimes du programme **Activateur de la communauté « Ma rue principale »**

L'[Institut urbain du Canada](#) (IUC) est fier d'annoncer la liste finale des bénéficiaires ultimes pour les projets communautaires soutenus par l'Activateur de la communauté « Ma rue principale » entre 2022 et 2023. Le programme a été mis en œuvre pour soutenir des projets d'aménagement de l'espace public à fort impact qui ont revitalisé des quartiers et repensé des espaces publics, y compris des rues principales, des centres-villes et des places, grâce à un soutien pratique et à des paiements ponctuels.

L'IUC a reçu 10 millions de dollars dans le cadre d'un investissement global de 23,25 millions de dollars du gouvernement du Canada, par l'intermédiaire de l'[Agence fédérale de développement économique pour le Sud de l'Ontario](#) (FedDev Ontario), pour fournir des contributions non remboursables de 25 000 à 250 000 dollars afin de soutenir des initiatives d'aménagement de l'espace public.

Projets :

Les bénéficiaires du financement ont su s'inspirer et tirer parti des atouts et du potentiel de leur communauté locale pour mettre en œuvre rapidement des interventions d'aménagement de l'espace public qui ont produit un grand nombre d'avantages sociaux et économiques. Le financement du programme « Ma rue principale » est ainsi devenu un outil puissant pour aider les communautés à se remettre de la COVID-19 et à revitaliser les rues principales et les zones commerciales.
